## A ROUSING MEETING.

Colonel Poorman and Major Moore Enthuse Benwood Republicans.

### MR. JOHN O. PENDLETON'S NERVE

And Rash Assertions form the Text for a Pertinent Comment by a Workingman—Many Republican Meetings Announced This Week—Meetings in the Fourth and Sixth Wards This Evening—Other Political Matters.

Colonel Poorman, of Bellaire, and Major A. C. Moore, of Clarksburg, addressed the Republicans of Benwood Saturday evening at the City Hall. At the request of the executive committee Mr. Landers called the meeting to order and Hon. Joseph Sinclair was made chairman with R. A. Riggs as secretary. Edward Newton, sr., C. W. Kronhardt, A. L. Pelly and John A. Hoge, candidate for state senator in the Second senatorial district, occupied seats on the stage.

The chairman in a very neat speech introduced as the first speaker Colonel Poorman. The colonel spoke of the wage question basing his remarks on the recent report of Secretary Carlisle. He says every wage earner knows that his wages had been reduced and had not been working half time. He spoke earnestly and eloquently for three quarters of an hour. His speech was highly appreciated by the large audience present, in which was quite a number of Democrats.

The chairman next introduced Major Moore, that old veteran who has seen free trade theories rise and fall like chaff in the wind. The major caught his audience at once and for almost an hour he held all under the spell of his oratory. He showed that we live in a country that manufactures more than any other country on earth, and speaking of the markets of the world, said they were a "will o' the wisp," all right in theory but not so in practice. The Gorman-Bricomontrosity was analyzed carefully and the effects to the workingman clearly shown, from the sugar he puts in his coffee to the wages he receives on pay day. He said the people understood the situation and will elect Captain Dovenor to Congress, who will help to stop the tariff tinkering. At the mention of the captain's name the cheering was loud and long, and cries of "We will" were heard all over the house. The speaker closed with a request to support the Republican ticket from Congress down.

The chairman then introduced the next senator from the Second district, John A. Hoge, who said he did not wish to make a speech, but to shake the hand of every voter present. He then retired from the stage amid loud cheers. The meeting then tendered the speakers a vote of thanks and three cheers for Dovenor and three more for the state and county ticket. This closed one of the most enthusiastic and best attended Republican meetings ever held in Benwood.

### To-night's Meetings.

This evening Hon. J. E. Hooten, of Marshall county, will address the Republicans of East Wheeling, under the auspices of the Clay-Union Republican club at Bischoff's hall, Eighteenth street. There should be a large turnout to hear the issues of the campaign discussed. All are invited to attend.

### Escort Club to Meet.

In addition to those Republicans who are already members all others are invited and earnestly requested to attend.

**WHEN YOU CAN'T EAT**  
without that uncomfortable feeling of fullness or drowsiness afterward, then it's time to take Dr. Pierce's Pleasant Pellets. They make digestion easy. Keep a vial of them in your vest-pocket, and take one after every hearty meal. It's time to take them, too, whenever you "feel bilious." They're specific for biliousness. They act wonderfully upon the liver.

Those tiny, sugar-coated Pellets—the smallest, the pleasantest to take, and the most natural in their way—absolutely and permanently cure Constipation, Jaundice, Biliousness, Indigestion, Sick or Bilious Headaches, Sour Stomach, and every liver, stomach, and bowel disorder.

### Chronic Nasal Catarrh.

N. M. Hooten, Esq., of Laketown, Rich Co., Utah, says: "I was suffering from chronic catarrh, and bought half-dozen bottles of your Dr. Sage's Catarrh Remedy, and I am happy to say I am permanently cured of that disease."

### McKINLEY AND WILSON ABROAD.

In 1890 William McKinley was burned in effigy in the English manufacturing city of Sheffield; but in 1894 William L. Wilson was whined and dined in London because he is the author of a free trade tariff bill. These are significant facts.
